See all the artists at Community Charity School! Below are two of the special creations; one is of Nyiragongo volcano, which erupted last May & destroyed much of their school.

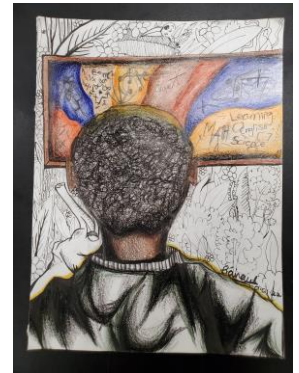

Below: Students created & acted out skits to celebrate international women's day. The painted faces show that the theme was animals.

Life for Promesse!

Thanks to all of you, Safari Promesse has a full life ahead! After two surgeries to remove the giant tumor & rebuild his jaw, he can anticipate the future with hope. The head of the Kivu nonprofit, Mr. Innocent Nunda, accompanied Promesse to Burundi for the medical treatment.

International Women's Day

The women of FEBA (Femme Berceau de l'Abondance) celebrated International Women's Day with a special program at the Women's Center & then a bottle of juice & cookies for each person!

For women who rarely ever have enough to eat, a little festive food lifts their spirits.

Money is scarce but FEBA knows how vital little treats are. See them wave! If only you could hear them shout!

Advancing Woman, Cradle of Abundance for Greater Success

Thanks to our wonderful consultants, led by Diane Mataraza, Woman, Cradle of Abundance enjoyed a very successful working retreat on Feb. 26. Ideas sparked, enthusiasm & encouragement flowed, new & exciting possibilities are calling out to be explored. We are **MOST GRATEFUL** to all those who gave so generously of their time & creativity: Daniel, Gerald, Jeff, John, John, Kyle, Michele, Rachel, Raymond, Peter, & most of all, Diane!

Look forward with us!
